Bebrite provides a total cleaning solution – a one-stop service covering all aspects of cleaning needs for residential, commercial, windows, carpets and fabric protection.

We provide an immaculate service including free quotes, attention to detail, multi level insurance, highly trained owner/operators and environmentally safe products.

Residential Cleaning

Bebrite specialises in all types of cleaning whether it's a one-off or a regular clean. Our experienced fully insured team will leave your house looking immaculate and our work is guaranteed.

Commercial

Bebrite offers the highest standard and expertise for commercial cleaning. Our clients include golf clubs, gyms, day care centres, nursing homes and large commercial premises. Security, integrity and satisfaction are all guaranteed. Excellent references available.

Carpets

Our professional operators provide a premium carpet clean. Expert advice on stain removal, allergy treatment and fabric care is also available. Commercial offices will also benefit from our efficient after-hours service.

Windows

Your specialist Bebrite window cleaner will give you fantastic results on commercial, residential, builders cleans, one-offs and spring cleans.

Products

To keep your home or office shining, we offer our own unique brand of cleaning products. The Bebrite range also includes laundry powder, nappy sanitiser, stainless steel polish, furniture polish and carpet spotters. Simply call us on 1300 131 664, speak to your franchisee or visit...
